## Fresh Air

### Biologic odour control

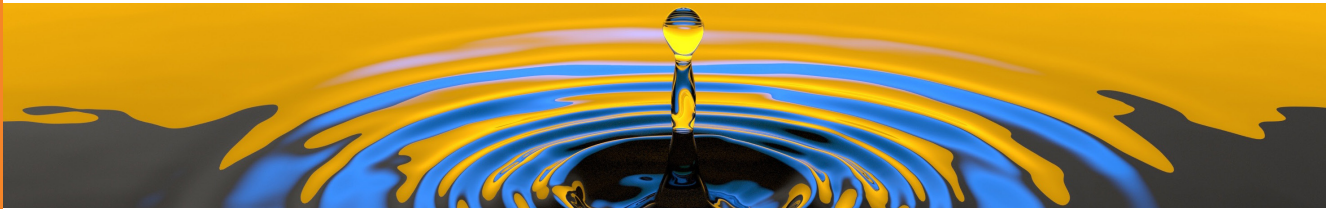

Is in compliance with European Parliament and Council Regulation (EC) no. 1907/2006 concerning the registration, evaluation, authorisation and restriction of chemicals (REACH)

#### Range of application:

Eliminates foul odour. Digests organic material into water and carbon dioxide. Can be used to remove old and new stains and unpleasant odors from urine, stool, vomit, blood, milk, coffee and other organic material.

#### How to use:

1. Moisten the surface you will be cleaning
2. Process with brush or sponge
3. Let it sit for 5-20 min
4. Rinse with lukewarm water
5. In case of severe odor problems repeat the treatment as described above

**Containers:** 1 or 10L

**Storage:** Frost-free in original packing

**Dosage:** Concentrate to 1:25

**pH value:** 7-9

**ADR:** Not classified as dangerous goods for use by road or rail transportation

#### Precautions:

Use protective gloves made of butyl or nitrile rubber.

Ensure good ventilation.

Use protecting clothing, gloves, visor or glasses in case of contact.

Eye wash facilities and emergency shower must be available when handling this product.
