

TOLL

Gate Control PRO

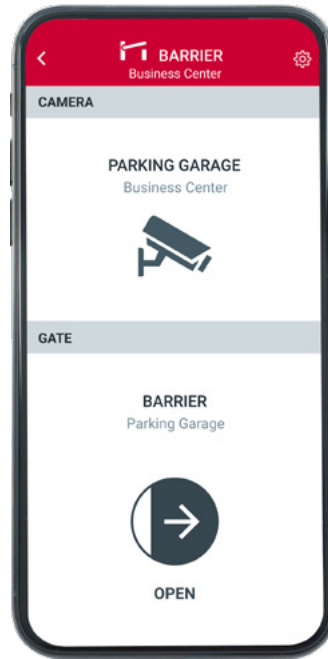

Opens up new perspectives in gate control solutions

WHY CHOOSE GATE CONTROL PRO?

Forget about the programming of remote-control gate openers! Handling your gate and barrier has never been as easy as it is with the Gate Control PRO mobile app.

Time is money. Use your mobile phone to control your gates, should you be on your way home, in a meeting or anywhere else!

With Gate Control PRO there is no distance limitation.

APPLICATION AREAS

Control for electric gates, garage doors, barriers, and bollards via mobile app.

WHAT CAN GATE CONTROL PRO USED FOR?
