CT15

BY PROFESSIONALS
FOR PROFESSIONALS

CT15, with great tank capacity, guarantees a productivity up to 1300 m²/h. Three-stage motor and brush motor with gearbox make it ideal for intensive applications. The complete range, cable and battery supplied, dirk or roller brushes, allows the ideal solutions for every cleaning demand. Easy access to the internal component and construction modularity allow a significant reduction of maintenance costs.

MAIN FEATURES
