## BUCKET 30

Simple and durable, the BUCKET 30 rope bag allows you to store up to 110 meters of 11 mm diameter rope. It remains upright and keeps its shape, even when empty, for easy access to the inside of the bag. It has padded shoulder straps for comfort, an exterior pocket to store personal items, and a marking area for quick identification of the contents of the bag. Its construction using TPU tarp material allows regular to intensive use. Available in three colors: yellow, red and black.

The bag can store up to 110 meters of 11 mm diameter rope.

A roll top closure provides optimal protection against moisture.

Padded shoulder straps make it comfortable to carry.

The two large handles allow the bag to be carried by hand and can also haul up to 50 kg.

---

**Short Description** Medium-capacity freestanding bag

---

**Selling Points**

- Freestanding rope bag:
  - 30 liters of volume can store up to 110 meters of 11 mm diameter rope
