pinchLock II

GENERAL

Art. no.: H-163-PL-AN-PK

EAN: 4030281218586

Standard: EN 12275-H:2013
EN 362-B:2004

E-class number: 40-02-01-05

Customs no.: 76169990

Data sheet

pinchLock II

The PINCHLOCK II carabiner revolutionized the hardware industry and earned the iF Product Design Award in 2013 and the German Design Award in 2014.

- Innovative pinch lock closure for easy opening, closure, clipping, and unclipping of the carabiner
- The pinch lock closure makes it more convenient to rotate the carabiner into the correct position, since the carabiner doesn't have a locking sleeve on the gate
- A 29 mm gate opening makes it easier to clip on and remove gear

GENERAL

Internat. standard: UIAA 121

FEATURES

Breaking load, major axis:
22,00 kN

Breaking load, minor axis:
9,00 kN

Breaking load, open: 7,00 kN

Max. opening: 29 mm

Max. service life: 30 Years

DIMENSIONS

Size: 112 x 76,5 mm

Weight: 0,09 kg

HARDWARE

Locking system: Pinchlock

MATERIAL

Material: Aluminium
