

RAPID RIG

FEATURES & BENEFITS:

- Knotless choking catch for lifting, dragging & pulling
- Multiple configurations for use in arboriculture, winches, vehicle recovery, logging, farming & more
- Fast, effective and consistent positive connection alternative to tying knots
- Optional ring attachment through spliced termination or scaffold knot

- Prevents knot tightening caused by dynamic loading of rope
- Solid forged steel construction

TECHNICAL SPECIFICATIONS:

Item#	40418
MSRP	\$39.99
MBS	60kN
Min Rope Diam.	3/16" [5mm]
Max Rope Diam.	1/2" [12.7mm]
UPC#	852399007838
HTS#	7326.90.9090
Country of Origin	Taiwan
