

catchbox mod

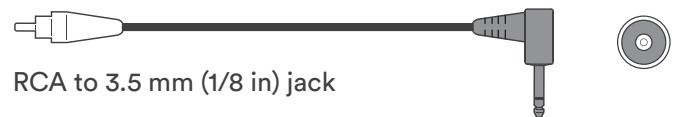

transmitter compatibility

The Catchbox Module is a module, converting existing beltpack transmitters and lavalier microphones into throwable microphones. The Catchbox Module requires its own transmitter. To make sure that your equipment will be compatible with Catchbox Module, see the info below.

1 Make sure that you have the right adapter cables in order to connect with the Catchbox Module.

Catchbox comes with
3 adapter cables

RCA to 3.5 mm (1/8 in) jack

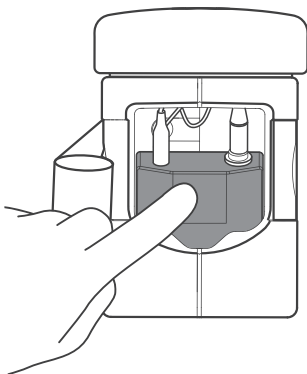

RCA to 3 pin mini XLR cable

RCA to 4 pin mini XLR cable

2 Make sure that your transmitter size fits the capsule dimensions.

Catchbox Module cavity dimensions - 87 × 68 × 30 mm / 3.4 × 2.7 × 1.1 in

Note: There might be some exceptions
