VLMWS80			<p>Height Adjustable Mobile Workstation With Drawer</p> <p>A Mobile Stand for Presentations or an Active Work Style</p> <p>Description: At the press of a pneumatic foot pedal, the VLMWS80 mobile workstation is height adjustable from 756~1126mm (29.8"~44.3"), so you can choose sit or stand while performing tasks or give a presentation. This small laptop table comes with a clear tabletop, smooth drawer. An embedded groove holds most tablets and phones. The recessed cup slot prevents spills during movement. Featuring an open drawer, this workstation offers storage space. The combination of the single leg and four casters ensure that the VLMWS80 has a portable mobile ability and allows you to use it in many different places. This mobile workstation is ideal for the office, school, classroom, conference room, training, tradeshow, home, and more.</p>	<p>Product Category: Mobile Workstation Material: Particle Board &amp; Melamine,Steel,Aluminum,Plastic Color: White Dimensions: 800x560x756~1126mm Worksurface Size(LxW): 800x560mm Worksurface Thickness: 16mm Worksurface Weight Capacity: 8kg Height Range: 756~1126mm Height Adjustment: Manual Installation: Freestanding Caster: Yes Accessory Kit Package: Compartment Polybag Instruction Manual Included: Yes</p>	<ul style="list-style-type: none"> <li>●Pneumatic Height Adjustment: easy operation to adjust the height for dynamic study or work</li> <li>●Foot Pedal: effortlessly adjusts your workstation to desired height</li> <li>●Heavy-Duty Casters: offer smooth mobility with quality that lasts a lifetime</li> <li>●Eco-Friendly Particle Board: features heavy-duty and moisture resistance (TSCA Title VI compliant)</li> <li>●Embedded groove holds most tablets and phones</li> <li>●Convenient cup holder</li> <li>●Storage Drawer: meet the various storage demands of supplies while keeping a clean look</li> </ul>	<p>[Unit] □ Package Type: Brown Box □ Unit Packing Size: Null □ Volum: 0.00 □ Unit GW/NW: Null/16.62KG □ □ □ □ [Master Carton] □ Carton Size : 87.5x68.8x14.8CM □ Q'ty/Carton: 1 □ GW/NW: 19KG/17KG □ Q'ty/20'GP: 314 □ Q'ty/40'GP: 628 □ Q'ty/40'HP: 729</p>
