Noble

Automatic Micro needle Therapy System

Feel the difference Change your skin with Auto MTS Noble!

Beauty Revolution System, enhanced 0.2mm micro needles
penetrate the skin just enough to stimulate collagen
and elastin production

Home care beauty system, Auto MTS Noble!

- Induce collagen in the inner skin without removal or damage to the skin,
- Naturally improve skin condition without artificially paralysis, stiffening and cutting the skin,
- Effective wound healing system is one of Noble's unique technologies,
- 33G pine needles to minimize the pain from any rapid vertical movement,
- Immediate daily life is possible, right after the treatment with Noble,

Sterilized 9 needles safely make micro channels in the skin in a short time (approx., 150~200 thousand channels/5 minutes) and delivers the active ingredients into the skin,

The core technology of MTS, adjustable 4-step speed,
Using 11000RPM motors, our Auto MTS is stable and powerful,
