

# WONDER<sup>®</sup>

**CREATE  
MUSCLE.  
BURN  
FAT.  
IN JUST  
25 MINUTES.**

FIRST AND ONLY

**ELECTROMAGNETIC + NEUROMUSCULAR**

HYPERTROPHY - FAT BURNER - CELLULITIS

Made in Spain  
Present in Prestigious Aesthetic Clinics in 42 Countries

# The most **powerful** technology for building muscle and burning fat

With only two 25-minute sessions a week, it's enough to get a muscular and defined body in a short time. Wonder treatment leads to the same muscular development, metabolic alteration and caloric intake as a few hours of training in the gym.

Wonder® produces 52.000 strong and deep muscle contractions in just 25 minutes, at a record depth of 15 centimeters.

## Double action, Double **effectiveness!**

Wonder is first and only beauty equipment that simultaneously combines Focused Electromagnetic and High-Intensity Selective Neurostimulation, making muscles growth while burning fat in abdomen, buttocks, arms and legs simultaneously.

---

**1 SESSION OF 25 MINUTES = 3 HOURS FUNCTIONAL TRAINING**

---

## Six Muscle Groups **Simultaneously**

- ✓ Buttocks Lifting
- ✓ Toning Biceps and Triceps
- ✓ Strengthening Legs.
- ✓ Flat Belly
- ✓ Cellulitis
- ✓ Strength and Endurance.

# Become the **LEADER** in your Market.

Muscle creation is the new aesthetic procedure that transforms your aesthetic business: target new customer segments, increase its satisfaction and extend existing services.

Wonder aesthetic appliances allow you to work quickly, safely and confidently. The huge demand for muscle creation treatments ensures the success of the investment in Wonder®. Clinical studies show that muscle mass after 4 Wonder sessions increases an average of 16%.

## We are specialists in **muscle** creation

Since 2013, Wonder® muscle toning technology has been used in elite sports in more than 60 countries.

World champions, national teams and prestigious athletes use Wonder® to burn fat and build muscle in record time.

## **Unique** technological advances.

### **Selective technology.**

Each muscle receives a specific and different stimulation.

### **Non-contact treatment.**

Wonder® never touches the patient's skin.

**Adaptability.** Wonder® works on any muscle groups: hips, calves, knees, etc...

### **Cloud software and tablet control.**

Constant update of the system.  
True hands-free treatment.

 **WONDER**®
