

# Impact Junior

AZ4 HTE-S

## GRAVITY SPRAY GUN

# Spot and Smart Repair

The Air Gunsa range has been specially enhanced by the launch of the AZ4 Junior. This version of the new gun has been specially designed to achieve those small to medium repairs on a vehicle body that can be perfectly repaired with high transfer efficiency, more control and maximum comfort for the operator.

Ideal for both water based and solvent based paints with adjustable inlet valve as standard. Available with 70 ml gravity cup.

## FEATURES & BENEFITS

Flat and even fan pattern	Excellent colour reproduction and mottle free control
Low pressure properties	Atomizes at low pressures to keep repair small
Double tapered seat nozzle system	Nozzle thread has no contact with paint so it is easy to keep clean
PTFE coated black gun body	Appealing design and ease of cleaning and maintenance
Ergonomic design	Redesigned ergonomics for maximum balance and comfort
Smooth trigger action	Perfect spot repair control
Most parts interchangeable with AZ3 HTE2	Cost saving on spares
