

## Petrol Injector Puller Set for Ford EcoBoost 1.0 - 2.0l

### ATTENTION

Read the operating instructions and all safety instructions contained therein carefully before using the product. Use the product correctly, with care and only according to the intended purpose. Non-compliance of the safety instructions may lead to damage, personal injury and to termination of the warranty. Keep these instructions in a safe and dry location for future reference. Enclose the operating instructions when handing over the product to third parties.

### INTENDED USE

This tool is used to remove fuel injectors (OE part number CM5G-9F593-FA) on Ford 1.0L - 2.0L EcoBoost direct fuel injection engines and is to be used as OEM 310-206.

### SAFETY INFORMATIONS

- Keep children and other persons out of the working area.
- Do not allow children to play with this tool or its packaging.
- Do not use the tool if parts are missing or damaged.
- Use the tool for the intended purpose only.
- Caution when working on fuel systems. Escaping fuel can ignite and cause severe burns and property damage. Allow the engine to cool down and do not work in areas with flames and sparks, such as body repairs. Clean up spilled fuel immediately.
- If you remove the ignition key before repairing, you can prevent the engine from being started accidentally and resulting in engine damage and personal injuries.
- This manual serves as a brief guide and does not replace a workshop manual. Always refer to the vehicle-specific service literature, particularly the technical data such as torque values and instructions for disassembly/assembly, etc.

### USE

### ENVIRONMENTAL PROTECTION

Recycle unwanted materials instead of disposing of them as waste. Packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. Contact your local solid waste authority for recycling information.
