

Offset screwdriver set

4698

Art.No. 96469112
GTIN 4018754323388
Model 4698

Label.

Offset screwdriver set No. 4698 7 pcs.

Features.

- Chrome-Alloy-Steel, matt chrome plated
- black tip
- DRALL+ 2C handles

Content 7 parts:

2 Phillips screwdrivers DRALL+ No. 4630 PH1; PH2
2 Phillips screwdrivers DRALL+ No. 4640 PZ1; PZ2
2 slotted screwdrivers DRALL+ No. 4620 5.5mm; 4mm
1 voltage tester No. 10554 3,5mm

Advantages.

Made in Germany – STAHLWILLE screwdriver set, ergonomic 2K handle, voltage tester 1x3.5 mm, slot: 0.8 x 4.0 | 1.0 x 5.5, cross slot: PH1, PH2, PZ1, PZ2, 96469112

Always use the right screwdriver, thanks to practical labels on the top

STAHLWILLE: For over 160 years, we as a traditional German company from Wuppertal have stood for tools that are appreciated around the world for their excellent quality

Handy set for installation and renovation work around the house and garden

The multi-component handle ensures fatigue-free, fast work with the best grip

Product highlights.

Everything under control.

The flange-like hand stop prevents injuries caused by unintentional slipping – and also stops the tool rolling away.

Fast.

The lower end of the handle (multifunction zone) is deliberately made extra-long. This enables the thumb and index finger to wrap around more easily and spin the screwdriver.

Robust.

The core is made of high-grade knock-resistant polypropylene (PP). The tang is firmly anchored in the core to allow force to be transferred through it.

Convenient.

Convenient marking on the head makes it easy to pick the right prole quickly..

Individual.

The four handle sizes for the screwdrivers are designed specifically to match the drive profiles.

Practical.

The black handle component made of soft, elastic thermoplastic elastomer (TPE) and the special shape of the handle means DRALL+ screwdrivers fit particularly snugly in the hand.

Safe.

The blades are made of exceptionally fine industrial-grade chrome alloy steel, through-hardened and anchored in the grip in such a way that they stay there.

Robust.

Whether you use the straight-bladed or Phillips/Pozidriv type - the cross-hatched blade tips will accurately and safely transmit maximum force to the screw head.

Technical Attributes.

Number of tools 7 pcs.
