

INFINITY

SUPER NANO CARNAUBA WAX POLISH

Nano Technology: Super high gloss polish with Nano Technology for extended wax protection and dirt repelling properties.

Versatile: Suitable for automotive, marine and aerospace applications.

Developed for All Paint Finishes: Fully tested to ensure compatibility with all modern paint finishes including HS, Ceramic Clear coat etc.

Bodyshop Approved: Contains no volatile silicones.

Easy to apply: Wipe on – polish off.

Durable: Delivers a deep ‘wet-look’ gloss and shine combined with extra durability vs conventional polishes.

Low Chalk: Minimises rubber or plastic staining – No dusting problems.

User/Environment Friendly: Unique water based formulation contains no aromatic solvents.

Directions: Do not apply in direct sunlight. Shake well before use. Apply Infinity sparingly to clean cool surfaces with soft polishing cloth. Allow to haze then buff to shine with a micro-fibre polishing cloth.

Typical Specification:

Composition : An emulsified blend of Carnauba wax, non-volatile silicones, polishing aids, non-aromatic solvents, perfume and dye in water.

Appearance : Opaque mauve liquid

pH : 8.5

Viscosity : Medium

Perfume : Waxy

Stability : Protect from freezing. Store at ambient temperature.

Shelf Life : Eighteen months minimum in unopened containers.

Packaging : 1L, 5L
