

OUTLINE

SILICONE FREE TYRE & RUBBER DRESSING

Safe: A non-flammable water based rubber dressing for tyres, mud flaps, floor and boot linings, rubber mats etc. for use on cars & coaches.

Simple to Use: Simply trigger spray onto clean surface and allow to dry.

Easy to Apply: Unlike many water based rubber dressings Outline wets out to tyre and rubber surfaces easily and with no effort. It is also remarkably low foaming – important for quick vehicle turnaround.

Superb Original Finish: Dries to a satin sheen 'as new' finish.

Non Flammable : Extra safe for bodyshops as well.

Non Staining: Dressing will not mark showroom carpets.

Interior Cockpit Conditioner: Also ideal as an interior trim conditioner.

Directions: Surfaces to be treated should be clean and dry.

Apply using a brush or trigger spray.
Allow to dry.

Typical Specification :

Composition : Biodegradable blend of water soluble solvents, oils, surfactants, perfume, dye and water.
