

PANACHE

THE ULTIMATE INTERIOR TRIM SPEED-DETAILER

3-in-1: Clean, Sheen & Protect. Panache is a unique fast acting combi-product, which cleans, shines and protects interior trim in one step.

Speed: Sprayable formula is quick to apply and leaves a 'new car' finish which is non-greasy and dry to the touch within minutes.

Multi-purpose: Panache will clean, dress and protect most types of interior trim; plastic, vinyl, metal, wood, leather and rubber.

Ultimate Finish: Unique formula delivers a natural, non-patchy finish, even on modern soft-touch dashboard and fascia plastics.

Bodyshop safe: Panache is completely safe for use in the paintshop/bodyshop environment.

Anti-Static. Treated surfaces resist dust and dirt build-up

Directions For Use:

Shake container before use.

Apply using a trigger spray or cloth.

Wipe over with absorbent cloth to remove dirt and to leave 'as new' sheen.

*For leather trim check an inconspicuous area first before general treatment

Typical Specification :
