INDIGO-10

COLOUR CHANGING WHEEL CLEANER, PAINTWORK & EXTERIOR DE-CONTAMINANT/ FALLOUT REMOVER-pH NEUTRAL

- Indigo-10 is a pH neutral, acid free, non-caustic wheel cleaner de-contamination/fallout remover
- This colour changing formulation delivers a powerful, safe and effective cleaning resulting in a high gloss finish.
- Indigo-10 cleans and removes brake dust and iron oxide particulates (Industrial Fall-Out).
- Colour changing action occurs during the cleaning/decontamination process – changing from Clear to Dark Purple.
- Indigo-10 efficiently removes rust – iron oxide.
- Multi-surface safe: can be used on all vehicle exterior surfaces: paintwork, plastics, glass, chrome etc.

Directions for Use:

Product should be used in a well ventilated area.

Ensure all surface areas to be treated are cool and dry before applying the product.

Shake before use. Apply product liberally to contaminated surface areas via a trigger spray or low pressure sprayer.

Use a brush, sponge or wash mitt to agitate stubborn contaminated areas.

Allow product to dwell until colour changing action occurs (Dark Purple)

DO NOT ALLOW PRODUCT TO DRY OUT, as staining may occur.

Rinse off thoroughly at high pressure, ensuring all surface areas are free from product residues and colour.
