

Product Data Sheet

SCRATCH REMOVER

MULTI-PURPOSE RUBBING COMPOUND

- Universal renovator for all paint types on cars, motorbikes, boats.
- Removes scratches, defects, car wash marks, oxidation and restores faded colour leaving a bright reflective gloss finish
- For best results combine with XPERT-60 Polishing pads:
LAMBSWOOL: P1500/P2000 scratches;
WHITE Cutting Foam: P3000 scratches;
ORANGE Swirl Remover Foam: P4000 scratches

Directions for Use:

Hand Use: Can be used by hand with a cotton cloth for localised area scratch removal e.g. around door handles.

Machine Use: Ensure paint is clean & free from dust. Do not work in direct sunlight or on hot surfaces. Shake well before use. Apply product to paint surface and spread to a thin even layer using pad.

Set machine speed to 1200-2000 rpm (free running), polish up paint surface, reducing pressure as film starts to clear. Continue to polish surface with un-pressured pad then remove any residues with XPERT-60 Micro-fibre Detailing Cloth. Repeat process as required. For final finishing of darker colours use **XPERT-60 HOLOGRAM REMOVER #XP-90013**

Code: XP-90011

Pack size: 500g
