THE CARDS

- The 100-card **Base Set** consists of 70 **Authentic Prospects** cards featuring top prospects from across the three leagues (OHL, QMJHL and WHL; no fewer than 15 players from each league), and 30 **New Grooves** cards featuring the top players from the **Authentic Prospects** set. In other words, the best-of-the-best! Collect three (3) cards per box from these two sets (combined)!
- The parallel lineup is stellar, starting with the **Authentic Prospects** Jersey Number parallel cards, each numbered to the player's jersey number. The highest-numbered card (the jersey #) for each player also features an autograph! The non-auto versions combine with numbered **Authentic Prospects** and **New Grooves** Orange Foilboard parallels to fall two (2) per box!
- More game-worn memorabilia cards! There are Red Jersey parallels of both sets (the **New Grooves** versions are numbered), as well as numbered Gold Patch parallels of both sets.
- It gets better! For those looking for autograph and autograph patch cards, there are Blue Auto parallels and numbered and highly-coveted Auto Patch parallels. Keep an eye out for the **Printing Plates** from both sets, all featuring an autograph from the featured prospect.
- See the next two slides for card images!
