UPPER DECK'S FLAGSHIP SERIES HAS BEEN REFRESHED!

We've made notable changes to the Upper Deck Series to deliver an even more compelling collecting experience!

For the first time in more than 20 years, we've changed the configuration (cards per pack/packs per box). We've also increased the number of inserts per pack and have expanded the **base set** parallel lineup. And while the configuration has changed, we've maintained the **Young Guns**® card count (6 per box, on average). In summary:

- 1 Three (3) inserts per pack, on average (formerly 1 per pack, on average)
- 2 Four (4) new base set parallels, three (3) of which are serial-#’d
- 3 No change to the number of Young Guns® cards per box (6, on average)

Here are the new parallels:
