BASE SET

The 100-card Base Set features 10 different cats from 10 different breeds:

- Abyssinian
- Bengal
- Exotic Shorthair
- Maine Coon
- Munchkin
- Ragdoll
- Russian Blue
- Scottish Fold
- Siamese
- Snowshoe

The card fronts boast spectacular images while the card backs deliver information and/or fun facts about the breeds.

Through this set, you can learn about the origins of the breed, the name, personality traits, why they look the way they do and/or other interesting info/fun facts. As a result, each 10-card subset delivers a good deal of information about the breed.

INSERT SETS

The insert set lineup is full of fun and informative cards, and really taps into what makes cats special, and the cards are printed on a variety of substrates. Here are the first four:

- **Amuse Me:** Everyone loves cat memes and this fun set delivers 20 originals!
- **Know Your Breed:** Take a deeper dive into the species with cards covering 40 different breeds - the same 10 from the Base Set and 30 new ones! More awesome images and more information/fun facts!
- **Now Trending:** You may recognize some of these cats! This set features several internet-famous cats. Between the images and the information on back, you'll learn what helped get these special felines a significant number of social media followers.
- **Pop Cats:** This is a 30-card Quad Pop Art set. Each card front features four images of the cat, each in a different color, and each card back provides more information about the breed (all 30 of them!).

All four of these sets are printed on foilboard and each box contains five (5) cards from one or more of them! See the next slide for card images from the other three sets.
