ROOKIE JOURNEY - DRAFT
Red Parallel

The 2022-23 Synergy Hockey base set features low-#’d veterans, legends and rookies (regular and SP). With true rookie cards #’d to just 23 and the veteran and legend cards #’d to just 13, the Synergy base set is highly-collectible!

The base set breaks down as follows:

Veterans (1-60), Legends (61-75), Rookies (76-115) and Rookie SP’s (116-125)

Collect both Red and Purple parallels of the complete base set. Fifty-percent of the Red parallel cards, on average, feature a bounty scratch-off code. All of the Purple parallel cards are low-#’d and many will feature an autograph. Also keep an eye out for low-#’d **Portrait** and **Auto Portrait** variations of the **Rookie SP’s!**

The popular serially-#’d **Rookie Journey** and **Synergistic Duos** inserts are back, each with an expanded parallel lineup. The Rookie Journey insert consists of three subsets (**Draft, Home Uni, Away Uni**) and sports an all-new Green parallel to go along with the returning Red and Gold parallels. The Synergistic Duos insert, featuring two players from the same organization, also consist of three subsets: two current stars, on current star and one legend, and one current star and one rookie. In addition to the returning Red and Gold parallels, there is also a new Green parallel.
