

SEXYCHAIR

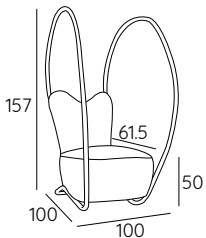

Sexychair is as pretty and light as versatile items. It can have a dialectic relationship with its locations and it looks like a way of thinking or virtually a choice of life that turns into beauty. It is as sexy as a beautiful woman. Its curves are alluring and winding. It is sometimes cute and wants to have fun. Its metal handles help it constantly move the goalposts even if it fully performs its duty.

- 1 - dacron® fiber 100 gr;
- 2 - high resilience polyurethane foam of different densities;
- 3 - internal structural frame in solid firwood;
- 4 - external structural frame in chrome tubular metal.
