# Like a Hot Knife Through Cheese

Nemco brings you two fast and conveniently simple countertop tools that take all the work out of breaking your cheeses down into smaller portions.

## Cut your bulk cheeses into manageable sizes with the Easy Cheese Blocker

- The calibrated notched cutting guide ( $\frac{1}{2}$ " increments) and the easy-action cutting bow ensure straight, even cuts precisely to the size you need.
- Even the densest cheeses are no match for the tough, stainless steel construction and durable cutting wire.
- Clean up and cutting wire replacement are super easy, saving time.
- Process 40-lb cheese block, 35-lb cheese wheels or smaller.

## Cut your smaller cheese portions into uniform cubes, sticks or blocks with the Easy Cheeser

- Easy-to-use slicing arm slides right through cheese of any thickness or density.
- All steel construction provides lasting performance.
- Stainless steel cutting wires are easy to replace.
- Cutting area accommodates  $\frac{1}{3}$  of a 5-lb cheese loaf.

Easily interchangeable slicing arms offer  $\frac{3}{8}$ " or  $\frac{3}{4}$ " cuts.

Easy Cheeser is great for butter too! Makes individual pats and serving-size squares.

Note: Always remove outer cover from cheese before cutting.

## Suggested Uses

The Easy Cheese Blocker combines with the Easy Cheeser to quickly turn bulk cheeses into portioned amounts for salad bars, deli trays, party packs, in-store sampling, hors d'oeuvres and specialty trays.
