Easy Chicken Slicer™

Cut cooked chicken strips with maximum speed,
consistency and safety!

Buy once. Buy the original.
Always look for this mark of quality

One Slicing Tool That's Anything But Dull

Nemco's new Easy Chicken Slicer™ cuts breaded and other cooked chicken breast much faster, more consistently and with much greater portion control than the conventional knife-in-hand method. Plus, with a unique assembly of unsharpened blades, it improves safety too.

For the freshest menu items and the tastiest profits, put Nemco to work in your kitchen.

Rapid ROI

Designed to slice quickly and consistently with virtually no employee training, the Easy Chicken Slicer goes right to work on cutting your labor. And with its rugged, compact aluminum and stainless steel construction, it's built to keep paying dividends for years.

Improved Safety

Even the most inexperienced employees can be master handlers of the Easy Chicken Slicer. It's extremely easy to operate—with a low base for stability—and virtually injury-proof. The intentionally unsharpened blades cut right through the meat.

Easy Cleanup

The Easy Chicken Slicer is portable, and disassembly is as simple as pulling a pin. Plus, the stainless steel pusher block and the blades are specially designed to minimize lodging of chicken meat.

Designed to provide leverage, the pusher block is easy to actuate

Sturdy base features a low center of gravity for better stability

Suction cup feet secure unit to work surface

Blade assembly is easy to remove, clean and replace—with no specific orientation required (except scalloped models, which cannot be turned upside down)

Unsharpened stainless steel blades get the job done—safely

Rubber bumpers on pusher block dampen sound during operation

Space under the blades will accept a 2½"-tall, half-size pan

Suggested Uses:

If your operation is trying to maximize the exploding popularity of chicken salads, sandwich wraps and chicken strip meals, this is the tool you need. It quickly and easily cuts through chicken and other tender cooked meats.

General Specifications

Model	Description
55975	½" Cut Chicken Slicer
