**must
have**

A unique piece of furniture, perfect for remote work, has already been awarded for its functionality - with MUST HAVE AWARD in 2018 and nomination to the 2019 final of the SILESIA THING plebiscite.

OMNI'S advantage is the versatility. The combination of useful drawers, hidden caches and trays for discreet wiring allows to keep all necessary office materials, equipment, cables and chargers at hand without creating any mess.

"PENCIL CASE" FOR STORING STATIONERY ITEMS

CABLE STORAGE

DRAWERS LOCATED ON THE SIDES CAN BE USED WITHOUT GETTING UP FROM THE DESK

OMNI DESK

Transformation of the compact OMNI desk into a large workstation is a matter of seconds. All necessary devices are within easy reach and can be pulled out or hidden at any time.

TABLETOP'S HEIGHT
ADJUSTMENT SYSTEM

66 / 71 / 76 cm

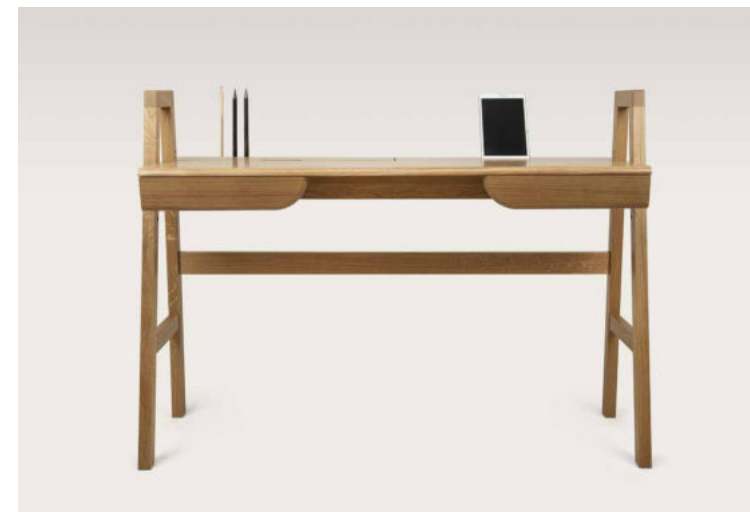

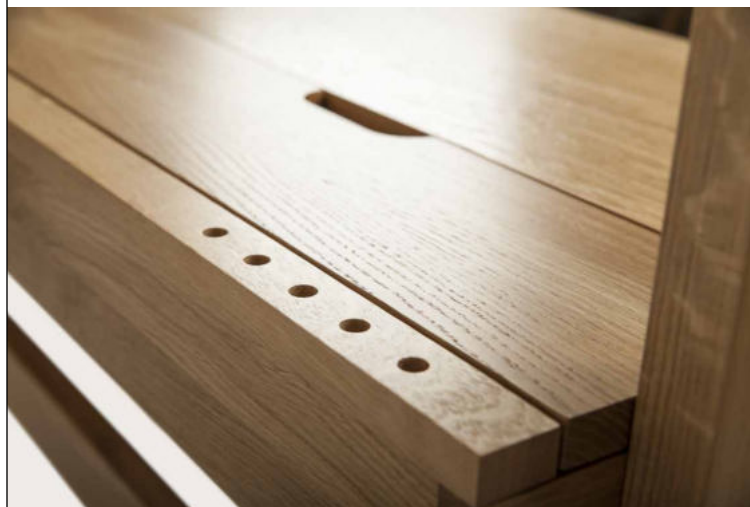

A desk made of oak, with useful desktop height adjustment system. Thanks to the drawers located on the sides, storage area can be reached without getting up from chair. System of caches, holes and channels enables to create a neat working area with all appliances and office materials within reach without any tangled cables.

UNIVERS DESK

Perfect for home and office, the UNIVERS desk attracts attention with its pure, sophisticated design and functionality.

Thanks to the adjustable desktop height and capacious storage places, UNIVERS desk can transform from office station to a school desk to serve all family members.
