MSDSSafety Data Sheet is available in
ditecshop.com or upon request.**Packaging:**500 ml Clear plastic bottle with child
proof cap.

Box contains 9 x 500 ml.

Directions for use:

Do not use on hot surfaces. Avoid use in direct sunlight.

Rinse off any loose dirt or grit from the vehicle surface. Always use a clean sponge and bucket! Add 4 capfuls (40ml) in a 10 liter bucket with warm water (1:200).

Wash the car from upside and down with a clean sponge.

Then rinse the car carefully with clean water.

To avoid waterspots shall the car be dried with a drying cloth or synthetic leather.
