Packaging:

500 ml Clear plastic bottle with child proof cap. Separate Trigger Pump.

Box contains 9 x 500 ml.

Suitable for use on almost any interior or exterior surface:

- Paintwork – Door shuts – Engines - Fabric – Carpets – Rubber.

Interior Cleaning: Ideal for cleaning heavier soiling from all interior surfaces including fabric carpets and seats, plastic and metal trim, door shut areas and head linings. **Exterior Cleaning:** Powerful cleaning action superb at removing dried-on bug deposits from paint, trim and glass. Also excellent for cleaning cabriolet hoods.

Directions for use: Spray directly onto surface or microfiber cloth, for stubborn dirt allow the product to work for two minutes and agitate to loosen dirt. Wipe to clean and allow to dry naturally. On exterior surfaces rinse with water thoroughly and dry with a cloth afterwards.

Note: Some alloy and plastics are sensitive to stronger alkali based solutions. If in doubt check before use. For fabric cleaning check a small inconspicuous area for colour fastness before general cleaning.
