

DITEC® Degreaser Plus

Asphalt, tar & road salt remover

Description

Ditec Degreaser Plus is a fast acting, low aromatic cold degreaser. Effective pre-wash product for cleaning of asphalt, tar and road salt.

Benefits

- Works excellent on both dry and wet surfaces.
- Excellent for use in winter wash.
- Fast and efficient cleaning.
- Low aromatic formulation, mild and easy to work with.

Directions

Apply undiluted directly onto the vehicle, typically to the bottom/lower parts. Let the product work for a few minutes. Rinse thoroughly with high pressure washer from bottom to top (Do not let dry in, if dried in add more product before rinsing). Rinse one section at a time. Proceed with normal washing process with your preferred Ditec Shampoo etc.

Do not use on hot surfaces. Do not apply in direct sunlight.
