Fields of application

Suitable for use on almost any interior or exterior surface!

Use on a wide range of applications and materials:

- Paintwork – Door shuts – Engines - Fabric – Carpets – Rubber.

Advantages

Interior Cleaning: Ideal for cleaning heavier soiling from all interior surfaces including fabric carpets and seats, plastic and metal trim, door shut areas and head linings.

Exterior Cleaning: Powerful cleaning action superb at removing dried-on bug deposits from paint, trim and glass. Also excellent for cleaning of cabriolet hoods.

- Highly effective
- High foaming
- Multipurpose cleaning

Application instructions

- Spray product on the car from bottom and upwards
- For stubborn dirt allow the product to work for two minutes and agitate to loosen dirt.
- On exterior surfaces rinse with high pressure wash
- Dry with a cloth afterwards.

Note: . Some alloy and plastics are sensitive to stronger alkali based solutions. If in doubt check before use. For fabric cleaning check a small inconspicuous area for colour fastness before general cleaning.
