

# Ditec Multi Dressing

Restores & Enhances Shine

## Fields of application

Highest quality interior and exterior conditioner to enhance plastics, vinyl, rubber seals, tyres and engine compartments etc.

## Advantages

- The Mult dressing can be used in concentrate for a deep high gloss sheen or diluted with water to control/reduce gloss levels.
- Solvent free, water based, non-flammable and very easy to use.
- Treated surfaces are sealed against moisture, dust and traffic film.

## Application instructions

- Apply on a pre-cleaned surface, using the trigger spray or cloth.
- Wipe over surfaces and allow to dry.

Note: Not suitable for spraying in a paint shop environment, silicone based.

## Dosage

Interior Plastics: Dilute with 5 parts water for natural 'original' finish (On highly absorbent hard plastics use undiluted).

Engine Compartment: Use undiluted or with up to 5 parts water.

Door Shuts: Dilute with 5 parts water.

Tyres & Exterior hard plastics: Use undiluted.

## Packaging

Unit	Itemnumber
5L	20-201205
25L	20-201225
