

Ditec Wheel Cleaner & Iron Remover

Premium Iron Spot Remover.

Fields of application

Multifunction, colour changing cleaner.

Acid free, non-caustic and pH neutral, can be used on vehicles exterior surfaces: paintwork, plastics, glass, chrome, delivering a clean and high gloss finish.

Advantages

- Combined wheel cleaner and de-contamination/fallout remover.
- Colour changing occurs when active, easy use.
- High gloss finish.

Application instructions

- Ensure surface areas are cool before application.
- Shake before use, spray liberally to surface areas to be treated and allow to work until colour changing occurs (dark purple).
- For stubborn contaminants use a sponge, brush or wash mitt depending on surface to agitate and rinse off thoroughly with high pressure.

Do not allow product to dry out as staining may occur.

Dosage

R2U, ready to use in concentrate
