

# DITEC<sup>®</sup> Seal & Protect

## Spray Coating for all exterior surfaces.

**Seal & protect is a modern protection for all exterior surfaces. Can be used on paint, glass, plastic and wheels. Just spray on, wipe and buff!**

- Quick, light clean-up and adds a protective coating in one step.
- High gloss effect, boosts your paints shine.
- Brings hydrofobic carecteristics to treated surfaces, reducing drying time and minimising water spotting.
- Contains no harsh ingredients, leaves a fresh and clean fragrance.
- Works amazing as a drying aid, lessens friction when drying minimizing risk of inducing swirls.
