

ECIGGKEDJAN.SE

ORIGINAL

Just Jam is quite possibly one of the most realistic flavours in its respective field, managing to replicate the flavour equivalent to that of real strawberry Jam!

RASPBERRY

Ripe raspberry jam preserve transformed into our famous e-liquid brand. As simple as it sounds, Just Raspberry Jam.

TOAST

Strawberry Jam, smothered on perfectly toasted bread with not a single hint of burnt bread, although there's a smidge of butter for good measure.

SCONE

Raspberry Jam smothered on a freshly baked English scone with generous lashings of Devonshire cream.

RASPBERRY DOUGHNUT

Who could forget a bakery fresh raspberry jam doughnut... Not us! Brand new to the range, and incredibly tasty.

STRAWBERRY DOUGHNUT

Is there a better union than jam and doughnuts? Nope! A match made in heaven. Presenting our newest Just Jam flavour, strawberry jam doughnut.

BERRY SHORTBREAD COOKIE

Featuring a fantastic blend of beautifully ripe berries, smothered atop the most succulent buttery shortbread biscuit, this is a one off special!

APRICOT CRUMBLE

Take the ripest Apricots, render them down into the richest Jus, then add rich, toasted crumble on top! A true match made in heaven.

APRICOT PEACH

Rich, ripe Apricots, mashed together with smooth comforting Peaches. Superb flavours, finely blended to make a stand out juice!

APRICOT SORBET

Apricot Sorbet will give you a comforting hug as you relax and lose yourself in these indulgent and smooth flavours.
