

HONEY POMELO

IS IT A LEMON? IS IT A GRAPEFRUIT? NO IT'S A HONEY POMELO! THE TASTE IS A LITTLE LIKE BOTH A LEMON AND A GRAPEFRUIT HYBRID, THE LARGEST OF THE CITRUS FRUITS WITHOUT THE ACIDIC SOUR TASTE THAT MANY HAVE. IN THIS FORM NO TOUGH PEELING IS REQUIRED JUST FILL UP YOUR POD OR DEVICE AND SAVOUR THE CITRUS FLAVOUR WITH POD 100 SERIES HONEY POMELO.

BLUE RAZ PINEAPPLE

SOUTHERN Highbush blueberries delicately blended together with Tulameen raspberries then carefully decanted into a cocktail glass before adding just a little ice and topping up with pineapple juice. Bring a little sunshine into your pod or device with Pod 100 Series Blue Raz Pineapple.

BLUE KIVI GRAPE

Blueberries bursting with flavour, fuzzy kiwifruit skinned and blended with Chardonnay green grapes, a single ice cube and a touch of a tropical secret ingredient make this flavour so moreish you'll want to lick your lips after every vape. Don't just take our word for it top up your pod or device with Pod 100 Series Blue Kiwi.

BUBBLE GRAPE

Don't take the name for granted, no bubblegum here! A clever mix of green and black grapes, 2 ice cubes and succulent blackcurrant juice make a flavour that could convince you of the bubble part in the name. It's a flavour to enjoy! Fill up your pod or device with Pod 100 Series Bubble Grape.

BLACK WIVI

Blackberry kiwi fruit smoothie anyone? Perfectly mixed sweet tangy blackberries and whole ripe kiwi fruit. 2 cubes of ice and once again the mixologist has added a tiny bit of a tropical secret. Take yourself to paradise and top up your pod or device with Pod 100 Series Black Kiwi.

BANANA CHERRY ICE

Only the best lady finger bananas and Bing cherries can complement each other the way they do here, tasting is believing. Minimal cool so add your ice shots if you want more of a chill. Banana inhale and a lip smacking cherry on the exhale to savour. Be a devil and fill your pod or device with Pod 100 Series Banana Cherry Ice.

Pod 100 Series is currently made up of 6 literally mouth watering flavours that will not only ravish your taste buds but also help your pocket especially with the savings you could make over disposable units. Pod 100 Series are super strength concentrate 50/50 VG/PG 100ml short fills. Add your choice of normal / salt or iced nicotine shots to get the flavour type you prefer. 120ml of juice is the equivalent to 60 disposables! That's a lot of waste of not only plastic but also the batteries.
