

WX VAPOR COMM

CHANGEABLE

MIL-PRF-32432A STANAG 2920/4296 ANSI Z87.1 EN166F

The WX VAPOR COMM infuses its lightweight frame with an aggressive design and an outstanding field of view, in a unique, bold look, packed with versatility. The flexible frame design guarantees a fit on all head shapes, and the rubberized Twist Lock nosepiece ensures a superior grip during almost any activity. The COMM temples offers a comfortable fit, when wearing ear-

muffs and other ear mounted communication devices, ultimately making them almost unnoticeable, keeping you focused all day long. Available in three-lens kits, you have the power to change the lenses as needed for your lighting conditions and environment. Designed with style and comfort in mind, the WX VAPOR COMM is here to keep you safe from unexpected impacts.
