

A SIMPLE SOLUTION

with 900 series from Darrol

FEMALE AND MALE MANNEQUINS

Simplicity is the essence of our 900-series. Easy to work with, easy to dress. The 900 series are based on our successful 700-series positions, but with a molded head. The simplicity and the elegant details make a perfect mannequin for most kinds of styling and clothing.

We have chosen the abstract head with a minimum of facial features to both the female and male figure, and thereby achieving simple and neutral expressions that will fit into most stores. The 900-series is easy to work with and an obvious choice that fits most ready to wear collections.
