

L100 Classic 80

12-inch (300mm) 3-way Bookshelf Loudspeaker - 80th Anniversary Edition

Product Overview

This Limited-Edition JBL L100 Classic loudspeaker package celebrates JBL's 80 years of iconic loudspeakers. The L100 Classic 80 features a beautiful oak wood veneer enclosure complemented by a brown Quadrex foam grille accented with a gold and black JBL Logo and black satin wood frame. Anniversary edition badges are found on the front and rear of the loudspeaker including a commemorative numbered plaque with the signature of the principal system engineer, Chris Hagen, as well as the individual pair number out of the total production run. The L100 Classic 80 is sold as a matched pair system and includes a set of JS-150 floor stands. The entire system ships inside a specially crafted wooden crate. Production is limited to 800 pairs worldwide.

Highlights

- Retro design with iconic JBL styling and vintage Quadrex foam grille.
- 12-inch (300mm) cast-frame, pure-pulp cone woofer in bass-reflex design with front-firing tuned port.
- Exclusive Oak wood veneer design limited to 800 pairs worldwide.
- High-frequency and mid-frequency level attenuators.
- The entire system ships inside a specially crafted wooden crate.
- Recommended JS-150 speaker stands included
- 12-inch (300mm) pure pulp cone woofer (JW300SW-8).
- 5.25-inch (130mm) polymer-coated pure-pulp cone midrange driver.
- 1-inch (25mm) Titanium dome tweeter mated to acoustic lens waveguide.
