

SLIXRR SLIX Rapid Response

A simple, low cost, robust stretcher that can be deployed very quickly. Can be dragged along floors, narrow corridors, up companion ways, along sewer pipes, up railway embankments, across open ground - the skin is low friction, does not ruckle or snag and the unit weighs in at under 6 kg. Six easy grip Carry handles. All Closure/Carry handles user replaceable.

Optional extras can be purchased including a head hugger and shoulder straps.

Product Code:
