Activa Superb

3083 0023

Swan-labelled microfiber mop for dry, damp, and wet cleaning. The mop cleans effectively in both normally soiled environments and in more demanding conditions.

Activa Superb is constructed with four layers. It features short loops and a cut fringe, along with a soft Velcro backing. The yarn fringe is an effective dust collector and picks up dirt across the entire width. Activa Superb has a built-in microfiber cloth for high absorption, allowing the mop to retain moisture for a long time.

Activa Superb cleans effectively using only water and does not scratch the surface.

Color	Grey/White
Material	100% split twisted ultra-microfiber
Washing instructions	60-95° max 55° We recommend washing the cloth at 60°C whenever possible, as this is more environmentally friendly. At 60°C, the mop withstands approximately 2,000 washes. At higher temperatures, it withstands at least 700 washes. Shrinkage max. 6%.
Labeling	Swan (Nordic Ecolabel)
