Activa Regain Microfiber Cloth

A Swan-labelled microfiber cloth made of 75% recycled microfibers. The cloth is high-quality and made from a material that cleans effectively without feeling rough on the skin. It can be used on all hard surfaces and provides a scratch-free result. The cloth can be used dry or damp.

We advise against using it on sensitive surfaces such as computer screens, tablets, and smartphones. When used correctly, each cloth has eight clean cleaning sides. Cleans effectively with water only.

Size	Art.no.	Pcs/pack.
32x32 cm	20088	10
40x40 cm	20089	10

Color	Grey
Material	Microfiber
Washing instructions	60-95° max 55° We recommend washing the cloth at 60°C, as this is more environmentally friendly. When washed at 90°C, the cloth can withstand more than 500 washes provided the care instructions are followed. Shrinks a maximum of 6%.
Labeling:	Swan (Nordic Ecolabel)

Tests conducted at the Weber & Leucht laboratory show high efficiency in bacterial reduction as well as low levels of microplastic emissions:

	Log reduction	Reduction of bacteria %	Test criteria
Staphylococcus aureus	2,81	99,85	≥95%
Escherichia coli	3,37	99,95	≥95%
