DOCUMENT HOLDER A4

Document holder A4 self-adhesive

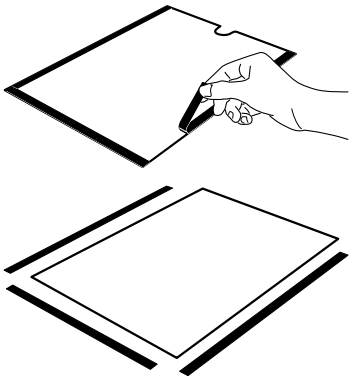

- For use in portrait and landscape format on both smooth and uneven surfaces (clean and stable)
- Permanently self-adhesive thanks to 3 adhesive strips on the back
- Replace inserts with ease
- The adhesive strips can be removed from the product without leaving any residue, allowing the materials to be disposed of separately and recycled
- Outer dimensions: (W×H) 236×323 mm
- Internal dimensions: (W×H) 214×301 mm

Materials can be separated and disposed of separately.

Document holder A4 magnetic

- Easy to attach to metal surfaces such as whiteboards, display boards, lockers, information boards and production machinery
- Magnetically adheres due to three-sided magnetic strips that can be removed without leaving residue
- For portrait and landscape formats
- Separable materials
- Outer dimensions: (W×H) 236×323 mm
- Internal dimensions: (W×H) 211×298 mm

Materials can be separated and disposed of separately.
