

WORK LIGHT WITH DARK SENSOR

Model: Boston

Part.nr: 4000133047

BOSTON WORK LIGHT WITH DARK SENSOR 27W, IP67, 10-30V

Boston Work Light with dark sensor from Kaarix is a smart, efficient and reliable lighting

This LED work light with integrated dark sensor provides automatic illumination exactly when and where it is needed, in dark areas. Designed for industrial environments, it enhances safety, convenience, and energy efficiency by automatically switching on when the sensor comes into a dark area or room.

The high-performance LED technology delivers bright, uniform light with low power consumption and a long service life. The built-in sensor ensures hands-free operation, making it ideal for safe driving in dark areas.

Technical data

Material: Aluminium
Power: 27 W
Colour temperature: 7800 K
Lumens: 1890 lm
Input Voltage: 10-30 VDC
Working temperature: -40 to +80
Lamp Dimensions: 110 x 110 x 135 mm
Approvals: CE, EMC
IP67
