

Rugged at its core and stylish throughout

Stands up to the roughest and toughest (and usually the smallest) of customers

Educators and young students alike will love this comfortable, durable, and colorful audio solution

Not only is the AE-35 a great fit for smaller ears, but with a midsize earpad and adjustable headband, it's suitable for all. With a lightweight frame and padded headband and earbuds, this headphone is the ultimate in listening comfort. We've also created compatibility with a variety that have a 3.5mm connection.

- Lightweight with midsize earpads.
- Reliable and consistent results in every environment.
- Ideal for non-microphone testing and assessments.
- Available in two, kid-friendly colorways.

EXTRA COMFORT

Padded headband and earpads provides hours of comfort.

OUR AUDIO SOLUTIONS ARE:

- Durable and reliable
- Easy to store and clean
- Meets safety compliances
- Compatible across many platforms and devices

Fun contour stitching
