LIMITED WARRANTY

Küryakyn warrants that any Küryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Küryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
 - The product must be properly installed, maintained and operated under normal conditions.
 - Küryakyn makes no warranty, expressed or implied, with respect to any gold plated products.
 - Küryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Küryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Küryakyn and a customer.
- Küryakyn products are often intended for use in specific applications. Küryakyn makes no warranty if a Küryakyn product is used in applications other than intended.
- Küryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. L.E.D.'S contained in components of Küryakyn products will be warranted for defects in materials and workmanship for 3 years from the date of purchase where as all other components shall be warranted for one(1) year. This includes, but is not limited to; control modules, wiring, chrome & other components.
- Küryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Küryakyn. Küryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.

ATTENTION! A factory service manual may be helpful in performing this installation. Do not attempt to perform this installation if you are not confident in your ability to complete all steps in the procedure; consult a trained technician.

STEP 2 Remove the stock shift linkage. PIC 1

STEP 3 Compare the length of the new shift linkage with the stock shift linkage; adjust the new linkage to the correct length then finger tighten the jam nuts. PIC 2

STEP 4 Thread the short stud of the shift linkage into the shift arm on the transmission. Tighten securely. PIC 2

STEP 5 Place one of the included 5/16" Flat Washers over the longer stud on the shift linkage and install it through the hole shift arm that is connected to the shift lever. Place the other included 5/16" Flat Washer over the end of the stud and secure to the shift lever with the provided Nylock Nut. PIC 2

STEP 6 Position the emblem holder in the desired location and tighten the jam nuts against the ball joints. PIC 2

STEP 7 Check the shifter for proper operation before riding.

WARNING! FAILURE TO ADJUST THE SHIFT LINKAGE ASSEMBLY PROPERLY MAY CAUSE DAMAGE TO THE MOTORCYCLE, WHICH COULD RESULT IN MACHINE MALFUNCTION OR PERSONAL INJURY.

ATTENTION! Ensure the area of installation is free of grease, oil, dirt or other debris to ensure proper adhesion. Küryakyn WILL NOT issue a warranty on any parts lost due to improper installation.

ATTENTION! The adhesive will not bond correctly if applied at temperatures less than 50°F. Do not attempt this installation in temperatures less than 50°F.

STEP 8 Using the supplied alcohol pad, thoroughly clean the emblem area on the linkage. Rub the backing on the adhesive pad on the emblem to activate the adhesive. Remove the backing and attach the emblem to the linkage. Hold in place for one minute, full bonding will take 24 hrs.

CAUTION! Ensure that the installation of this product does not interfere with the proper operation of the motorcycle before riding.

CAUTION! It is the installer's responsibility to ensure that there is adequate clearance between the shift linkage and any painted or powder coated surfaces. Küryakyn is not responsible for any damage due to inadequate clearance.

ATTENTION! It is the installer's responsibility to ensure all fasteners (including pre-assembled) are tightened before operation of the motorcycle. Kuryakyn will not warranty components lost due to improper installation. Periodic maintenance may be required.
