

DoubleCurve

Curve into double action

The module in action:

Your guests await a thrilling challenge with two inclined tracks, offering a mix of slippery races and sudden turns. The DoubleCurve features varying track lengths and difficulty levels while challenging guests to stay quick on their feet to avoid falling into the water. The option to switch between lanes adds extra excitement.

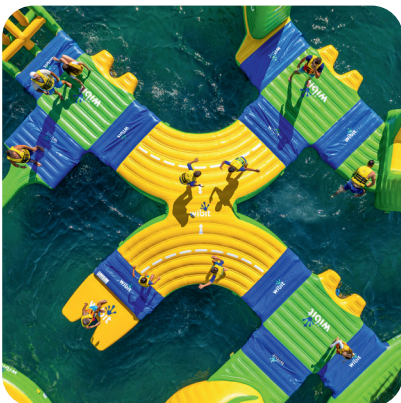

Your benefits:

Placed at the heart of your park, the DoubleCurve becomes a standout feature. Its four versatile connection points enable it to be linked with various modules, improving the park's overall flow.

Features:

 No.	 min. water depth	 dimensions l x w x h	 user capacity	 inflation time	 includes
