

HighBars

Leap over new heights

The module in action:

The HighBars offer a chance for guests to swing over the water from two different height bars, testing their strength along the way. This feature engages participants of all ages and fitness levels in exciting and ongoing challenges.

Your benefits:

This compact module captures attention with its different bar heights and adds an intriguing visual element to your location. The bars provide a sporty twist and keep guests engaged, ensuring high activity levels throughout your park.

Features:

|  No. |  |  |  |  |  |
