

Level-Connect

This requires engaging your core

The module in action:

The Level-Connect demands full engagement from your guests. To conquer the inclined module, they'll need the ultimate coordination, while the direct view of the water below adds an extra thrill. One misstep and Splash!

Your benefits:

The rally stripes and Wibit logo guide your guests while crossing the Level-Connect. This new challenge will bring fresh dynamics to your course. The module can also serve as a replacement for an L-Connect, expanding your park's design options.
