

ParcouR-Connect

The multifunctional highlight of your park

The module in action:

The ParcouR-Connect challenges your guests to vault and climb on both sides of the module. By navigating different handles and corner bars, visitors use their entire strength to reach the next platform, exploring various movements and routes in a parkour-inspired experience.

Your benefits:

This module draws attention with its remarkable height and standout design. The ParcouR-Connect offers a unique alternative to the R-Connect, perfect for adding twists and turns to your park. With its adaptable, multi-directional paths, it appeals to a broad audience and offers diverse climbing experiences both inside and out.
