The image shows a modern hair salon interior. On the left, there is a reception desk with a dark wood top and a light-colored base. Behind the desk, a tall metal shelving unit holds various hair products, including bottles and folded towels. Several potted plants are placed on the shelves and on the desk. In the center, a white cylindrical ottoman sits on a white floor. To the right, there are styling stations with white chairs and large mirrors. The walls are a mix of light beige and dark wood paneling. The ceiling has recessed lighting and a long, thin light fixture. The overall atmosphere is clean, modern, and professional.
